EASTERN ILLINOIS UNIVERSITY™

ENJOYABLE, AFFORDABLE EDUCATIONAL EXPERIENCES FOR PEOPLE OF ALL AGES.

Marita Metzke
Program Director
Academy of Lifelong
Learning

GREETINGS FROM THE ACADEMY!

I am delighted to welcome you to a bright new start, looking ahead and feeling grateful for the many freedoms we can enjoy, once again. This new Program Guide offers many diverse options for expanding your interests, connections, and knowledge. Take a few minutes to browse the array of classes, invite a friend, and get registered for a fall season of learning.

The Academy has planned for events that may affect our ability to gather by offering several virtual sessions later in the fall. We consider the technology a benefit of our time in isolation, and hope you will, too.

As we approach 2022, let's keep the lessons from the pandemic alive – more kindness and empathy for those we love, and for all others in our world.

This is your opportunity to study most any subject you choose over a semester. Academy members may register for one audited college course per semester without tuition or campus fees. - Individual instructors determine the level of involvement expected from students who are auditing a course.
- Your insights and observations are generally welcome, understanding there is a diverse group of students in each course.
- As an Academy Pass student, you will have the benefit of an EIU email account, and may be required to use the D2L platform.
- Your requests for specific courses will be accepted throughout the year by emailing us at: academy@eiu.edu and we will make every effort to accommodate your wishes.

INSTRUCTORS CAROLYN CLOYD,
STEVE THOMPSON

Women's suffrage in the United States of America, the legal right of women to vote, was a campaign waged formally for 72 years during the mid-to-late 19th and early 20th centuries. This crusade was undertaken by a determined group of citizens on the streets, in the social halls and every other environment frequented by U.S. society. The struggle was won during its final engagements in the halls of the U.S. Congress and the seats of legislative power within the individual state governments through the passing/ratification of the 19th Amendment to the U.S. Constitution in the post-World War I-era. With the adoption of the 19th Amendment, the social fabric of the nation was again shifted towards a more egalitarian union. WS100 honors the woman's suffrage movement and celebrates the 100th anniversary of the ratification of the 19th Amendment which gave American women the right to vote.
